### How we've calculated if you could save money on another plan

This comparison is based on rates and/or discounts applicable under your current energy plan and the suggested plan as at 21 May 2025. Our offers are subject to change. If we don't have usage data, we've estimated your usage based on a similar sized household. This comparison includes any applicable discounts, concessions and solar feed-in tariffs but excludes AGL double up discounts (from the suggested plan only), one-off benefits, fees and other charges such as green or ancillary charges.
