How we've calculated if you could save money on another plan

This comparison is based on rates and/or discounts applicable under your current energy plan and the suggested plan as at 5 Jun 2025. Our offers are subject to change. If we don't have usage data, we've estimated your usage based on a similar sized household. This comparison includes any applicable discounts and concessions but excludes AGL double up discounts (from the suggested plan only), one-off benefits, fees and other charges such as green or ancillary charges.
